Your countdown to Christmas

A gentle checklist so nothing is left to the last minute.

By the end of October

- ☐ Set your total gift budget
- ☐ Write your list (page 2) and add ideas
- ☐ Check what you already have at home
- ☐ Order personalised gifts early, they take longer

November

- ☐ Buy gifts for family and friends who live far away
- ☐ Compare prices before you buy any deals
- ☐ Make a stocking filler list for each person
- ☐ Order cards, wrapping paper and tags

Early December

- ☐ Write and post your Christmas cards
- ☐ Wrap gifts as you buy them
- ☐ Check last posting dates with your carrier
- ☐ Plan your Christmas food shop

The week before

- ☐ Buy spare batteries for toys and gadgets
- ☐ Wrap the last gifts and label them clearly
- ☐ Hide gifts somewhere safe
- ☐ Fill the stockings and put your feet up

Budget splitter and notes

Decide where your money goes before you start shopping.

A little spare for surprises		

Quick money-saving tips

- Set a budget for each person, not just an overall total.
- Buy small extras in multi-packs to cover several people.
- Reuse gift bags, tissue and ribbon from last year.
- A handwritten note makes a small gift feel special.
